Special Properties Real Estate Services, LLC, an exclusive affiliate of Christie's International Real Estate (CIRE) and the fastest-growing real estate brokerage in the region, recently completed its Annual Holiday Toy Drive benefitting OASIS – A Haven for Women and Children, located in Paterson, NJ. In all, Special Properties teams from across northern New Jersey collected more than 2,000 quality toys, which will be used to assist the mothers who utilize OASIS in their gift purchases for their children.

OASIS' mission is to change the lives of women and children by breaking the cycle of poverty through programs that feed, clothe, educate and empower women and children in need.
