

Saluting Mahwah's Law & Public Safety

Recognizing One of New Jersey's Safest Communities

The Township of Mahwah is continually ranked among the safest communities in New Jersey and across the country. From its nationally recognized police department to its accomplished and experienced volunteer fire and emergency medical services, residents have access to these high-quality services when they need them. Mahwah Township features:

- A nationally accredited police department that ranks in the top 3% of departments in the country (*The Commission on Accreditation for Law Enforcement Agencies*)
- An all-volunteer, non-profit emergency medical services (EMS) organization dedicated to providing ambulance service to residents and visitors of Mahwah from two locations in the township.
- Five fire companies that make up the Mahwah Fire Department and protect the township's 27 square miles.

Special Properties Real Estate Services applauds these public servants who risk their own safety for the members of our community. We honor them for their commitment and dedication to Mahwah and their selfless service to residents.
