Customer Testimonial:

"Maryanne is incredible and we were lucky to find her! We had been looking in Franklin Lakes for over a year, with a laundry list of items we were looking for. We were the "picky" buyers that knew exactly what we were looking for. After making the decision to change realtors, we were introduced and began working with Maryanne. Very shortly thereafter, we landed our soon-to-be forever home! Maryanne was creative, responsive and just as determined as we were to get the property...plus, she has a great sense of humor, which is totally necessary when you're driving around the suburbs for hours. She is a pleasure to work with and we would refer her to anyone who asked!"
